

Snoose Junction Journal

September 9, 2003

Hello Again All,

Here it is September again and lots of things cooking for our Chapter (Ballard Trout and Salmon Club) and the Council (WCTU). As a note of what has been happening in our Chapter, we sold nearly \$1600 in WCTU raffle tickets! We have plans forming right this week for a day at The Puyallup. If you would like to help out call me ASAP at: 206-784-4303.

Next Chapter meeting is scheduled for 9-11-2003 with speakers from the Ruffed Grouse Society, for a change of pace. We also will be talking a bit about the new restructuring of the Council. The attached message will explain as much as there is to know. We hope you have some questions or comments regarding this so our representative can address these issues at the Sept 13th meeting in Port Townsend.

As to all you Board members, I hope you have read over this proposal since I sent it to you last, and are ready for the meeting.

5429 - 32nd Ave NW, Seattle (Ballard)
7PM - upstairs
Thursday 9-11-03

Hope to see lots of you at the 9-11 meeting!

Larry
