

[Stream Enhancement Work Parties](#)

Your help is requested to assist the Des Moines Chapter of Trout Unlimited & Cove Stream Team with the installation of Large Woody Debris (logs) in Miller Creek on the Normandy Park Cove Property.

- **When:** Saturday's, July 10th, 17th & 24th
- Other work parties will be announced thru Sept.
- **Time:** Begin at 9AM work as long as you like.
- **Where:** 1500 S.W. Shorebrook Dr., Normandy Park
- **What:** Our in-stream project permit window opens July 15th, our July 10th workparty will “pre-stage” logs near their final installation location. The July 17th & 24th workparties will install the 45 project logs.
- **Bring:** Shovels, Come-a-longs, vehicles with winches, pry bars, chain saws, crow bars, hammers, small wrenches, log chains, rope, gloves, eye protection, sledge hammers, snatch blocks, log moving equipment, small vehicles for pulling, hip boots, work boots, drinks....aspirin.
- **Contact:** Andy Batcho, 206-246-1457 for details or just show up. We'll need plenty of help from all the T.U. Chapters & Friends!
- **Directions:** 1500 SW Shorebrook Drive, Normandy Park, WA: Take 99/509 South to S 160th St Exit; go R 1 block to 1st Ave., turn Left onto Southbound 1st Ave., approx. 1.2 miles, turn R onto Normandy Rd, heading W; stay R @ Y, then R @ the Stop sign onto Marine View Dr.; go 1 block & turn L onto Shorebrook Dr., follow to Stop sign; proceed straight to Beach Club Parking on Right.
